

### 13. 16-18 Learners At Risk by Section

- This table focuses on 16-18 year old learners and whether they are considered at risk of not successfully completing their course.
- This highlights the issue that more white males are identified as being at risk than white females. This is now a focus for further investigation when the final data for 2010/11 is available.

Section	At Risk				Not At Risk			
	White Male		White Female		White Male		White Female	
	08/09	09/10	08/09	09/10	08/09	09/10	08/09	09/10
