

BEAUTY & MEDIA MAKEUP

Beauty Therapy is a dynamic industry with ever-changing styles and techniques to stay ahead of, whilst Media Makeup is an exciting sector with creative design briefs. Working with industry professionals in fully-equipped 'real world' situations in our salons, Knowsley Community College can help you specialise in specific areas of this competitive industry to start your career – from beauty therapy to nails, theatrical makeup and more.

STUDENT
PROFILE

REAL EXPERIENCES

DANIELLE MORRIS - MEDIA MAKEUP

Level 3 Media Makeup student Danielle Morris gained employment with MAC Cosmetics whilst studying at KCC. Loving all things makeup, Danielle also took part in the Jane Iredale National Student Competition, where she won an all-expenses paid trip to London. This gave her an exclusive insight into the industry, in addition to a 'Jane Iredale' demo day for students.

REAL CAREERS

BEAUTY THERAPIST

Role: Offer treatments ranging from manicures and pedicures to skin treatments and aromatherapy, to make clients look and feel better.

Salary: £15,000 - £20,000

MEDIA MAKEUP DESIGNER

Role: Design and apply makeup for actors and on-screen presenters, working with production designers to plan appropriate styles and utilising special effects makeup.

Salary: £300 daily (freelance)

Level 2

Main Campus

LEVEL 2 BEAUTY THERAPY

Working in our professional salons, you will learn all aspects of Beauty Therapy, including; facials, makeup, eye treatments, manicures, pedicures and waxing.

Upon completion of this, you could progress on to our Level 3 programme.

Level 2

1 Year

Main Campus

LEVEL 2 MEDIA MAKEUP AND HAIR

This Level 2 study programme has been specifically designed to enable you to learn both aspects of hairdressing and media makeup. It will provide you with all the skills and techniques for applying makeup or photographic makeup and the creative art of dressing hair.

Upon completion of this, you could progress on to our Level 3 programmes in Beauty Therapy or Media Makeup.

Level 3

1 Year

Main Campus

LEVEL 3 BEAUTY THERAPY

The Level 3 study programme in Beauty Therapy is intensive and thorough, covering both theory and practical aspects. During this study programme you will experience a range of electrical and manual treatments, and work on external clients. Anatomy and physiology forms a large part of the study programme. This is a technical level qualification providing the knowledge, understanding and skills to work as a beauty therapist.

Upon completion of this, you could progress into employment.

Level 3

1 Year

Main Campus

LEVEL 3 MEDIA MAKEUP

The Level 3 Media Makeup study programme is a highly specialised qualification for those seeking a career as an employed and/or self-employed theatrical media makeup artist working with performers to a high level of occupational ability. You could be providing hair and makeup services in the media, theatre, performing arts, fashion and photographic industries.

Upon completion of this, you could progress into employment.
