

# A Guide to Learner Support

The Learner Support Team is able to offer:

## The Role of Learner Support

The role of the Learner Support Team is to organise and provide diagnostic assessments, exam arrangements and support for students who experience learning differences, physical disabilities and/or emotional/behavioural difficulties. We ensure that recommendations for reasonable adjustments are made to make sure that learners are able to access the curriculum and achieve their goals.

- ✓ Assessment of Individual Needs (including Exam Access Arrangements)
- ✓ Liaison with Local Authorities, Exam Boards and Course tutors
- ✓ 1:1 skill development tutorials
- ✓ In-class support from Learning Support Assistants
- ✓ Access to Specialist Equipment
- ✓ Communication Support for BSL/SSE Users
- ✓ Assistance with Personal Care/Health Needs
- ✓ Mobility Assistance

### Referral

Contact can be made directly with Learner Support via telephone, email or by visiting the Learner Support Office. Alternatively, your course tutor may refer you via the College's internal referral process.
