Principal's

Welcome

I am delighted to introduce you to our adult course guide for the coming year.

Whether you are looking to learn new skills to enhance your job prospects or you simply wish to make the most of your free time by taking on a new hobby, our college can provide you with a comprehensive range of choices.

If you need additional advice on the options available to you, please contact our experienced team who can guide you through the process, from finding the right course to registering.

We want your experience to be as straightforward as possible, from enrolment through to course completion. We can offer you as much support as you need to choose the right programme of study, whether that's academic or vocational and we can help you to stay on track with your studies during your time with us.

Please take your time to read through the guide and explore what is available to you. I'm sure you will be surprised at the wide range of courses we run across our five campuses, from Accountancy to Beauty Therapy, from Early years to Engineering, the list goes on.

Are you ready to try something new?

Simon Pierce, Principal

Financial Support

We understand that returning to education as an adult learner is a big step and it often comes with practical worries, especially around cost.

Don't let that put you off. We offer a range of financial support options to help you return to study. Support may be available for course fees, travel expenses, childcare and other study-related costs.

The type and level of support available will depend on your individual circumstances and the course you choose.

Our friendly staff will guide you through what you may be entitled to and will help you understand your options during the enrolment process.

COURSE FUNDING

1

Many of our adult learners study for free! Depending on your circumstances and prior level of qualification, you may be entitled to course funding if you:

- Live in the Liverpool or Manchester City Region and are in receipt of a qualifying benefit or are in employment and earn less than £37,144 per year (£26,800 if you live in a non-devolved area where public services are managed by Central Government rather than your local authority).

A simple fee-assessment will be carried out at enrolment to confirm eligibility.

MONTHLY INSTALMENT PAYMENTS

2 If you have to pay for your course fees, you may be able to pay in interest-free monthly instalments based on your course cost and duration.

ADVANCED LEARNER LOAN

3 As an adult learner aged 19+, an Advanced Learner Loan can help cover your fees for courses at level 3 or higher.*

- No credit check
- Not dependent on income or employment status
- No repayments until the April after your course finishes and you are earning over £25,000 per year.

*Terms, conditions and exclusions apply.

BURSARY

4 If your household income is below £34,000 without a cohabiting partner or £44,000 with a cohabiting partner, you may be able to access additional financial support to help with the cost of studying including:

- Childcare
- College meals
- Travel
- Books and equipment
- Course-related costs

STUDENT BENEFITS

5 All our adult students receive:

- Free breakfasts
- Free Microsoft Office package

Supporting You

Student Support

Your future is important to us and we aim to make returning to education as stress-free as possible, providing a wide range of support to help you succeed every step of the way.

CAREERS ADVICE AND GUIDANCE

Our careers advisors can provide free, impartial advice and guidance to help you progress towards your dream career. They can support you with finding the right course, as well as helping with CV writing, application forms, job searching and interview techniques.

PERSONAL DEVELOPMENT TUTORS

Your personal development tutor can provide academic guidance and practical support throughout your studies, from time-keeping and target setting to research skills and essay planning.

Mikey - Personal Development Tutor for Adult Learners

SAFEGUARDING, MENTAL HEALTH AND WELLBEING

We are committed to providing a safe, supportive and inclusive environment for all our students. Our dedicated Safeguarding, Mental Health and Wellbeing Team is available across all campuses to offer support whenever you need it.

ADDITIONAL LEARNING SUPPORT

If you have additional support needs, our experienced Learner Support Team will work with you and your tutors to tailor personalised support throughout your time at college, to help you succeed.

COLLEGE NURSERY

Our college nursery based at the Town Centre Campus is graded as meeting the highest standard by Ofsted. The nursery offers full day care for babies and children from nought to four-years-old and is available to students who have childcare needs.

LIBRARIES

Our libraries have been designed to provide welcoming, vibrant and inspiring learning spaces, with study areas to suit your learning style, state-of-the-art technology, extensive print and online resources and a team of skilled and supportive staff.

Highlights

College News

We are extremely proud of our college community and have had a fantastic year of achievements and progress!

Take a look at some of our highlights...

1. February 2025

2. September 2025

3. October 2025

4. November 2025

1 Green Energy Skills Centre
LCR Mayor Steve Rotherham toured cutting-edge facilities at our Green Energy Skills Centre.

3 Apprenticeship Awards Evening
Excellence, collaboration and achievement are celebrated at the first Employer and Apprentice Awards Evening.

2 Colours Restaurant
College unveiled £900k kitchen transformation to power the next generation of chefs.

4 Graduation
University Centre St Helens celebrates our outstanding graduates at inspiring ceremony.

5 Inclusive Employer Award
College named as one of the 'Top 100 Inclusive UK Employers 2025' by the National Centre for Diversity.

6 GCSE Results
College celebrated our students' fantastic GCSE English and Maths result successes.

7 Hair and Beauty Award
Association of Hairdressers and Therapists awarded our students 'Best in Northwest' for third year in a row.

8 Refugee Week
Students, staff and the wider college community joined together for Refugee Week celebrations.

Celebrating

Student Successes

I chose to study Access to HE Health Professions because as a working mum, I needed a route back into education that would fit around my family and work commitments.

Before starting the course, I had been putting off going back into education because I was a mum and I felt I would be a little older than most students but taking this course was one of the best decisions I've made.

I completed the course while pregnant with my fourth baby and the support I received from both my tutors and classmates was incredible. They encouraged me every step of the way, especially when I returned to college just ten days after giving birth.

I'll be studying Adult Nursing at Liverpool John Moores University from September. Not only did I achieve the grades I needed to get into university, it has also given me so much more confidence and I made friends for life.

If you're thinking about going back into education, believe in yourself and take that first step - you won't regret it! ”

Explore our Access to HE courses on page 26.

Amy - Access to Higher Education Health Professions

Aosaf - English Functional Skills
and WorkWorld Short Courses

“ I chose to study at the college to gain new skills and qualifications that would help me progress towards my personal and career goals. The experience was incredibly positive, with supportive tutors, a welcoming learning environment and practical lessons that helped to increase my knowledge and to build my confidence.

My advice to anyone considering an adult course would be to go for it. It can feel daunting at first, especially if you have been out of education for a while but the support available makes all the difference. ”

Learn more about English, Maths and ESOL on page 34.

Mia - Level 3 Electrical
Installation Apprentice

“ I completed my apprenticeship with HMS and now work with them as a qualified electrician. Doing the apprenticeship was one of the best decisions I've made, giving me valuable qualifications, hands-on experience, greater confidence and a career I genuinely love.

The support and opportunities I received were incredible, eventually leading me to be the Northwest winner of the Female Sparks Competition. I hope to encourage more women to join the construction industry while continuing to develop my skills in areas such as solar PV, EV charging and battery storage. ”

Discover more about Apprenticeships on page 20.

Spotlight on

Local Skills

The Liverpool City Region is one of the UK's most exciting places for growth, innovation and investment. As the demand for skilled workers increases across a range of sectors, adult learning has never been more important and our college is equipped and ready to maximise opportunities for those looking to gain qualifications, upskill or retrain.

Construction

With significant housing, regeneration, infrastructure and commercial development projects planned across the region and many experienced workers approaching retirement, demand for skilled bricklayers, carpenters, electricians, plumbers and plasterers is expected to remain high for years to come.

Green Energy

As the UK transitions towards a low-carbon economy, demand is growing for skills in renewable energy, energy efficiency, retrofit and sustainable technologies. This is expected to be a significant growth area in the coming years, creating both new jobs and upskilling opportunities for construction professionals.

Engineering

Advanced manufacturing remains a key strength of the local economy. Employers report ongoing shortages of engineers, technicians, fabricators, machinists and maintenance professionals, creating strong opportunities for skilled workers.

Digital

This is one of the fastest-growing sectors in the region. Digital skills are increasingly important across every industry, with employers looking for people with expertise in cyber security, coding, software development, digital marketing and artificial intelligence (AI).

Health and Social Care

This is one of the largest employment sectors in our region. An ageing population, workforce shortages and increasing demand for services mean skilled and compassionate workers are needed across a range of settings and job roles.

Early Years

National investment in childcare provision and ongoing workforce shortages have increased demand for qualified early years practitioners, teaching assistants and childcare professionals. The sector offers rewarding career opportunities.

WorkWorld

Our WorkWorld team delivers short courses designed to help you gain the essential skills, knowledge and confidence needed for work and everyday life.

SECTOR SKILLS

Taster courses that give you an insight into your chosen sector, help you become work-ready and provide opportunities to connect with local employers.

Course Title	Day(s)	Duration	Campus
Adult Care (Level 1)	7 days	2 weeks	SC KC
Business Administration (Level 1)	7 days	2 weeks	SC KC
Customer Service (Level 1)	7 days	2 weeks	SC KC

Advance Your Career With An Apprenticeship

Ready to take the next step in your career? Whether you're looking for a career change or want to develop your skills in your current role, an apprenticeship could be the perfect choice.

We offer apprenticeships from level 2 intermediate through to level 5 across a wide range of industries:

- Accounting
- Animal Care
- Business & Professional
- Computing & IT
- Construction
- Dental
- Early Years & Education
- Engineering
- Healthcare
- Heavy Goods Vehicle
- Science
- Warehousing

FIND OUT MORE:

www.sthelens.ac.uk/apps

BENEFITS of an Apprenticeship

No learning costs, debt or student finance.

Achieve a nationally recognised qualification.

Receive employee benefits such as a pension and annual leave.

Develop skills, knowledge and experience aligned to the next step in your career.

Training and Skills Solutions to Help your Business Thrive

Our college is one of the largest education providers in the Northwest, supporting over 500 businesses across the Liverpool City Region and beyond.

With a wide curriculum and experienced specialists, we deliver high-quality training to help you upskill staff, to recruit new talent and to access the right training solutions for your organisation.

Apprenticeships

Offered across a range of levels, industries and job roles, delivered flexibly, based on your business requirements.

Bespoke Training

Designed around your organisation and delivered in the workplace, remotely or at one of our campuses.

Employer Partnerships

Engagement opportunities to empower employers to shape future talent pipelines, from work placements and guest speaking to curriculum collaboration and strategic workforce planning.

UNIVERSITY

Pearson

REASONS TO STUDY AT UNIVERSITY CENTRE ST HELENS

Lower Tuition Fees

Our tuition fees are lower than most universities, which means you can make significant savings throughout your degree level studies.

Heart of the Northwest

We are situated in a great town centre location, offering a city-centre lifestyle with Liverpool and Manchester just a short train journey away.

University Partners

Our qualifications are validated and approved by our university partners, giving you access to their facilities and services as well as ours.

Smaller Class Sizes

Benefit from a more close-knit, friendly and supportive learning environment with regular contact with your dedicated lecturer.

Experienced Lecturers

Our inspirational and experienced lecturers are passionate about their subjects and sharing their industry links with you.

GRADUATION

The highlight of our year is celebrating the achievements of our graduates with their friends, family and lecturers at our annual Graduation Ceremony, which usually takes place at St Helens Parish Church.

**IT'S NOT
TOO LATE TO
STUDY FOR A
DEGREE THIS
SEPTEMBER**

Progress with us from entry level right through to a degree qualification.

Our college can offer you a recognised pathway of study to meet your career aspirations wherever they may lead you. Find out more on the next page.

Course Levels Explained

We offer a range of courses from entry level to level 7 degree qualifications and have something for everyone no matter what your starting point is.

ENTRY LEVEL

Ideal for beginners with little or no prior knowledge, these courses introduce fundamental concepts, basic skills, and essential understanding of a subject area.

EL

LEVEL 1

Suitable for those new to a subject or looking to gain a foundation for further study, these courses build confidence and develop basic practical skills and knowledge.

L1

LEVEL 2

Often considered equivalent to GCSE level study, these courses develop a broader understanding of a subject and introduce more complex tasks and responsibilities.

L2

LEVEL 3

Level 3 courses, such as Access to HE, prepare learners for higher education or skilled employment by providing in-depth knowledge and advanced skills within a chosen subject area and are often considered equivalent to A Levels.

L3

**LEVEL 4****L4**

These courses introduce higher education-level study with a focus on specialist knowledge, equivalent to the first year of a university degree or a Higher National Certificate (HNC).

LEVEL 5**L5**

Equivalent to a foundation degree or Higher National Diploma (HND), these courses develop advanced employability skills, building on your practical knowledge of your subject area.

LEVEL 6**L6**

These courses provide you with a specialist understanding of your subject area, equivalent to a three year bachelor's degree, or a one-year top-up.

LEVEL 7**L7**

Equivalent to a master's degree or PGCE, these courses represent postgraduate-level study, with an emphasis on specialist expertise.

Delivered by Merseyside Fire and Rescue Service from the Bootle, Prescot and Wallasey Fire Stations.

DISCLAIMER

Course/tuition fees advertised reflect the total cost. This excludes fees where 'per year' is stipulated. Additional course costs including, for example, exam and/or membership fees, may also apply. These course listings were accurate and correct at the time of publication in July 2026. However, slight variations may occur. St Helens College, Knowsley Community College and University Centre St Helens reserve the right to amend, withdraw and add courses in the future. This guide cannot be considered contractual and advertised prices and funding are subject to change.

Some programmes may be funded by the Liverpool City Region Combined Authority's Adult Education Budget, subject to eligibility checks.
