2.

Pre Enrol

- If your Applicant Evening taster sessions and your visit to the college have left you feeling confident and excited about your course, you can now take the next step and **pre-enrol**.
- Pre-enrolment doesn't secure your place just yet. That happens at Enrolment in August but it does let our admissions team know that you're keen to join us in September.
If you ticked "**I'm ready to pre-enrol**" on your feedback form, you'll be hearing from us shortly.

3.

Stay in touch

- Keep an eye on your **emails**
- Check your **post** for anything we send
- Let us know if your contact details change
- Look out for important updates about your course

- You will have the chance to meet your tutors and future classmates

5.

Enrol with us Thursday 20th August
